## A Letter to my friend in Finland

The 6th of may 2020

Hello my dear friend.

I'm happy to write to you from Latvia. I love having the Finnish school to come to our Latvian school to meet. We love having guests. I hope you are doing alright in Finland. I can't wait to see you and your school here sometime. We will always welcome you and be happy to meet you. I hope we get to talk more.

Wishing you the best and good health,

Rasa Daņiļeviča.

Jūrmala, Latvia

Dear penfriend,

I heard that we could write to Finland and find a penfriend. In this first letter I will tell about myself. I am a pupil of Pumpuru secondary school. I am 13 and studying in form 6.

Our days are busy. Usually we have 6 lessons. I study maths, languages (Latvian, English, Russian), natural science, history and others. My favourite subject is drawing. There are 20 students in my class and the majority study well.

We can take part in out-of-class activities. School offers a drama club, sports activities, singing and dancing possibilities. In my free time I try to relax. We have a good beach where I can go for a walk. I also like to read books, help about the house and work in the garden. Could you write about yourself, your school and family? I will be happy to get your letter.

Much love,

Marta.
